

Diploma in IndicPhilosophy

डिप्लोमा कोर्स : भारतीय दर्शन

Introduction of the Course

Ancient Indic philosophy is not a doctrine but a way of life. The word philosophy is derived from the root “दृश्” . द्रश्यते यनेन इति दर्शनम् – That is, the vision through which the truth is seen. In philosophy, we think deeply on the question of the existence of the world and the soul, the existence of their creator God, the question of the fruits of action, the questions of the cause of sorrow and many such questions related to life. After deliberation, truth is interviewed through the उत्तर पक्ष and पूर्व पक्ष process.

This course is designed to understand and enhance the overall comprehension of ancient Indic philosophy. This Diploma in Indic Philosophy program provides a rich understanding of Indic philosophy and logic. This course will introduce you to various ancient Indic philosophies of thought and its relevance in contemporary times. This course helps to understand and analyse ancient Indic philosophy.
